What this symbol means to you

Accuracy

Publishing production supervised by trained, experienced, professional Directory specialists.

Quality

A tradition of pride in producing the best publication possible, always with a view to improvement.

Standardization

Cooperation of publishers toward a uniformity of contents, features and arrangement of departments, making for a maximum of convenience and service to the user, with a watchful eye kept on the changing times and public needs, and with a continual exchange of ideas.

Dependability

A trade-mark representing a reputation for reliability and responsibility established prior to the turn of the century, and maintained throughout the years.

***Association of North American Directory Publishers**

MIGHT'S 1968

GREATER TORONTO

(Including the boroughs of YORK, EAST YORK, ETOBICOKE and most of NORTH YORK and SCARBOROUGH)

STREET, HOUSEHOLDERS and BUSINESS GUIDE and HOME OWNERSHIP OR TENANCY DIRECTORY

STREETS ARE ARRANGED IN ALPHABETICAL SEQUENCE SHOWING:

1.—Location and description of each street.

2.—Postal information on each street.

3.—Points on each street where other streets cross.

4.—Name of the occupant at each number on every street listed.

5.—Whether occupant at each number is the Owner or Tenant.

6.—Telephone number, where obtainable, at each address.

PLEASE NOTE THESE IMPORTANT POINTS:

1. The profession, line of business, etc. of individuals and firms is shown in this section opposite their respective places of business. A fuller explanation will be found in the white page Alphabetical List of Names. The occupations of householders will also be found under their personal listings in the white pages.

2. The symbol (*) following the residence number indicates that to the best of our knowledge someone living in the house is the owner.

3. The symbol (✢) before a street name indicates that the street is in a borough area. The name of the borough appears in parentheses immediately following the street name; for example ✢ABERFOYLE CRES (Etob) which indicates that this street is in Etobicoke.

4. A dash (—) after a residence or building number indicates that the occupants were absent at the time of our enumerator's call and therefore information for this address was unobtainable.

5. "Vacant" buildings are so designated.

6. Telephone numbers, as supplied to us on our enumeration, are shown opposite names.

7. ***The following "postal pointers" should be noted:***

   (a) The postal zone number immediately follows the street name; for example ABBOTT AV 9. Mail in such instances would be addressed to "Abbott Avenue, Toronto 9".

   (b) Where the street is in a borough area the postal information will appear immediately after the borough abbreviation; for example ✢ABERFOYLE CRES (Etob) 18 would indicate mail would be addressed to "Aberfoyle Cres., Toronto 18" while ✢ABRAMS PL (Nth Y) WLD indicates "Abrams Pl., Willowdale, Ontario" should be used in addressing mail.

   (c) Postal abbreviations (apart from postal zone numbers) used in these pages to indicate proper addressing are as follows:

DM	=	**Don Mills, Ont.**	**ISL**	=	**Islington, Ont.**	**WHL**	=	**West Hill, Ont.**
DNV	=	**Downsview, Ont.**	**RX**	=	**Rexdale, Ont.**	**WLD**	=	**Willowdale, Ont.**
ETOB	=	**Etobicoke, Ont.**	**SCAR**	=	**Scarborough, Ont.**	**WST**	=	**Weston, Ont.**

NOTE { **For information on streets beyond our enumeration boundary (and therefore not listed in these pages) please refer to "Might's Greater Toronto Suburban Directory" and our "Metro Square Map System", information on which is given on the yellow pages inside the front cover of this directory. Our handy "Arrow Pocket Street Guide" and "Arrow Pocket Street Map" on sale everywhere also provide much useful information on "Metro" streets.** }
